AsiaBSDCon 2010 Call for Papers

AsiaBSDCon is a conference for users and developers on BSD based systems. AsiaBSDCon 2010 is the 5th conference which will be held in Tokyo, Japan, in March of 2010. The conference is for anyone developing, deploying and using systems based on FreeBSD, NetBSD, OpenBSD, DragonFlyBSD, Darwin, and MacOS X. AsiaBSDCon is a technical conference and aims to collect the best technical papers and presentations available to ensure that the latest developments in our open source community are shared with the widest possible audience.

More information including papers and videos of the past conferences can be found at the official website <http://2010.asiabsdcon.org/>.
